VEHICLE INSURANCE

Polisa.nl, as your advisor in motor insurance, offers you an excellent vehicle insurance plan in the Netherlands for a highly competitive price (**private cars, business cars, vans, motorbikes, scooters**).

Polisa.nl accepts your foreign no-claims bonus. We will contact your insurance company to transfer your policy at no costs. We also provide assistance in terminating current plans with other Dutch insurers.

What you get at no costs is:

- ✓ Assistance in your mother tongue
- ✓ Highly competitive insurance prices
- ✓ Foreign no-claim bonus
- ✓ Termination of your old insurance plan

Damages covered by a given type of insurance are listed below:

	LIABILITY INSURANCE	LIABILITY INSURANCE + LIMITED MOTOR HULL INSURANCE	LIABILITY INSURANCE + FULL MOTOR HULL INSURANCE (AUTOCASCO)
Damage cause	WA	WA + Beperkt Casco	WA + Volledig Casco
Damage to third party / mutual damage	✓	✓	✓
Property damage, crashes, skids, vehicle in water	-	-	✓
Other outer damage	-	-	✓
Fire, explosion, thunderstruck	-	✓	✓
Theft	-	✓	✓
Windscreens cracked or broken	-	✓	✓
Animal car crashes	-	✓	✓
Storm and other natural disasters	-	✓	✓
	Liability insurance covers only damages to the third party. If a car is more than 10 years old, it has already lost its initial value. Regular compensations paid by insurers for such damages are disproportionate to the premium paid for an extended cover.	Liability insurance + limited motor hull insurance means an extended liability insurance. Liability insurance + limited motor hull insurance covers damage to third party caused with your car and some of your own damage, such as broken windscreens or damage resulting directly from fire, theft, hurricane, hail, and animal car crash. We recommend such insurance plan for cars 6 to 10 years old.	Liability insurance + full motor hull insurance, also called 'all risk insurance', is the most comprehensive motor insurance. Liability insurance + full motor hull insurance covers not only damage to third party caused with your car, but also damage to your own car, even self-inflicted damage. Moreover, you are also insured against vandalism and theft. We recommend the liability insurance + full motor hull insurance always for cars up to and 6 years old.
